REQUEST FOR CORRECTION OF FILING RECEIPT

The undersigned received a filing receipt dated 7/20/2001 for the above identified application in which the number of claims and applicants' addresses are incorrect.

RECEIVED
OCT 23 2001
TECHNOLOGY CENTER 1780

The application was filed with a preliminary amendment with which the original claims 1-20 were canceled and replaced with claims 21-44. Accordingly, the total number of claims is **twenty-four**. See also the claims fee calculation portion of PTO-1390 as filed by applicant.

Also, for the 3rd and 4th inventors, Klaus Figgie and Eberhard Scheible, the city name is incorrect. Instead of the city name, the street address was listed on the filing receipt, respectively. The correct city names have been entered on the attached copy of the filing receipt; compare Application Data Sheet submitted with the application.

A copy of the filing receipt with the corrected data shown in red ink and highlighted in yellow is enclosed. It is respectfully requested that a corrected filing receipt be issued.

Authorization is herewith given to charge any fees or any shortages in any fees required during prosecution of this application and not paid by other means to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on August 31, 2001,

Gudrun E. Hockett
